Hello, my name is Gina Womack and I've been a resident of New Orleans for almost 60 years and am 3rd generation.

Now is the time to right a wrong and fix the weakening of my community's vote. I came from New Orleans to urge you to draw fair and equitable district lines across our state. There is no reason for New Orleans and Baton Rouge to occupy the same district. To fairly represent the State of Louisiana, there must be additional Majority Minority congressional districts added. New Orleans is a historically and majority Black city with additional "minority" representation from Vietnamese, Honduran, and Middle Eastern communities. Surrounding parishes are showing similar increases in minority representation, making it overdue for the Greater New Orleans area and surrounding parishes to be in their own congressional district, separate from Baton Rouge.

Listen to your constituents and use your power for what is right, what is due and what is JUST.

Thank you in advance,

Gina Womack
